Subject : Change to RSPO membership number

To whom it may concern ,

As a result of changes to the RSPO Group Membership rules first introduced in November 2016, it is now compulsory for all companies belonging to the same corporate group or parent entity to be registered under a single membership number.

In line with this requirement New Britain Oils and all other subsidiaries of the Sime Darby Plantations Berhad group will now be represented under a single membership number #1-0008-04-000-00.

All information relating to New Britain Oils on the RSPO website, including the link to our supply chain certificate, has been moved and can now be found under the group name 'Sime Darby Plantation'.

Please be assured that this is purely a cosmetic exercise and will in no way affect the supply or service you receive from New Britain Oils.

Should you have any questions or concerns about this change please do not hesitate to contact me.
